ARTICLE 1
AGREEMENT

Agreement entered into between the TOWN OF GREENFIELD in the County of Franklin, Massachusetts (hereinafter referred to as the "Town") and the UNITED ELECTRICAL, RADIO & MACHINE WORKERS OF AMERICA (UE) and its affiliate, LOCAL 274 of the UNITED ELECTRICAL & RADIO & MACHINE WORKERS OF AMERICA (hereinafter referred to as the "Union").

ARTICLE 2
PURPOSE OF AGREEMENT

- A. The Agreement is entered into by the Parties hereto in order to provide for orderly collective bargaining relations between the Town, the employees in the bargaining unit and the Union.
- B. It is the desire of both Parties to cooperate in maintaining a harmonious relationship between the Town and its employees, and to provide an amicable method of settling any difference or grievance relating to wages, hours and other conditions of employment which may arise from time to time and to provide the highest quality and most efficient service to the community.
- C. The Union recognizes the responsibilities imposed upon it as the exclusive bargaining agent of the unit.
- D. The Town hereby recognizes the Union as the sole and exclusive collective bargaining representative of all the employees of the Town who come within the bargaining unit described below for the purposes of collective bargaining with respect to rates of pay, wages, hours of employment and all other conditions of employment.

ARTICLE 3
UNION RECOGNITION

- A. In accordance with the certification issued by the Labor Relations Commission of the Commonwealth of Massachusetts on December 17, 1976, the Town recognizes the Union as the exclusive representative of Clerical and Library employees in the following classifications:

Clerk, Clerk Typist, Secretary, Parking Meter Attendant, Bookkeeper, Administrative Clerk, Librarian (Adult Services), (Catalog), (Children), Assistant Librarian (Reference), General Library Assistant, Administrative Assistant, Assistant Librarian (Circulation), Assistant Librarian (Children); excluding the Assistant Library Director, Secretary to the Mayor, the Secretary to the Chief of Police, the Assistant Town Clerk, the Assistant to

the Board of Selectmen, the Assistant Treasurer, and Library Director, Confidential Secretary to the Board of Health and Board of Retirement, and all other employees.

- B. The Town agrees to notify the Union of the creation of any new classifications which arguably should be added to the bargaining unit. The Town further agrees to meet and negotiate with the Union solely regarding such new classifications. Any disputes as to the exclusion or inclusion of such new classifications, if not resolved by the Parties, shall be subject to resolution by the Labor Relations Commission. In the event it is finally determined that the classification belongs within the bargaining unit, all positions within that classification shall be subject to the provisions of the job posting and bidding provisions in this Agreement.

ARTICLE 4

NO DISCRIMINATION

- A. The Town agrees that no employee shall in any manner be discriminated against, coerced or restrained on account of membership in the Union or by reason of any Union activity.
- B. The Town and the Union hereby agree that neither Party shall discriminate against employees because of race, color, creed, sex, national origin, age, sexual orientation, gender identity, genetic information, veteran status, marital status or political belief as defined and protected under applicable state or federal law currently in effect. Any alleged violations of this Article may be reviewed between the Parties through the grievance process, but the Parties agree that alleged violations of this Article shall not be brought to arbitration if the Union and or employee elects to use the procedures availed under state or federal law.
- C. In the administration of this Agreement, the Town and the Union will provide reasonable accommodations to qualified employees with a disability. The need for and extent of such accommodations shall be determined in accordance with the requirements of Title I of the Americans with Disabilities Act.

ARTICLE 5

MAINTENANCE OF MEMBERSHIP

- A. Employees have the Constitutional right to choose to be or not be members of the Union or to pay or not pay an agency/service fee to the Union. They cannot be retaliated against for exercising these rights.
- B. The Town agrees to deduct current monthly dues from weekly pay each month for any employee covered by this Agreement who so individually authorizes the Town in writing on the following form and promptly remits the same to the Financial Secretary of the Local, on the form as provided by the Union as Appendix D.

- C. The Union agrees to and does hereby indemnify, defend and hold the Town harmless from and against any and all claims, demands, liabilities, obligations, suits or any other form of legal action or litigation arising from or related to any action taken by the Town in reliance upon any information, list, notice, statement or authorization for the checkoff of Union dues delivered to the Town by the Union.

ARTICLE 6

NO STRIKE CLAUSE

The Union agrees that, during the life of this Agreement, there will be no strike, picketing or stoppage of work, and the Town agrees that there will be no lockout.

ARTICLE 7

TOWN RIGHTS

- A. The Union recognizes the rights of the Town to manage its business in all respects in accordance with its obligations and in pursuance of its policies and to make and alter, from time to time, reasonable rules and regulations, which rules and regulations shall not be inconsistent with the provisions of this Agreement.
- B. The Town, the Union and the employees agree that the right and responsibility to operate and manage the business and the affairs of the Town, to select and direct the working forces and to control, direct, discontinue and change the use of its properties and facilities are vested exclusively in the Town. These rights and responsibilities include by way of illustration the right to determine, control and change work; the right to select, test, train and to determine the ability and the qualifications of the employees; the right to determine, control and change emergency, operating production, shift, training and working assignments and schedules; the right to determine, control, plan and change all matters pertaining to purchase, sale or disposition of equipment, and the organization of the management staff; the right to establish, distribute, modify and enforce reasonable rules of employee conduct, manuals of operating procedures and rules and regulations governing matters pertaining to safety and health within the operations of the Town; the right to determine, control and change the quality and nature of its products, materials and services; the right to employ, lay off, discharge, retire, assign, discipline, transfer, interview and promote its employees, including seasonal, temporary employees and contract labor except as specifically limited by this Agreement; the right to investigate all matters relating to Town operations, citizen complaints and employee conduct; the right to control, determine, direct, establish, change and discontinue Town functions and services or the location or the operations of its office or other facilities; the right to determine, establish and change any form of employee benefits not otherwise provided for in this Agreement; the right to maintain discipline and order and to maintain or improve efficiency within its operations and all other rights pertaining to the operation and the management of the business and the affairs of the Town and the establishment and change of conditions of employment not specifically given in this Agreement to the

Union or to the employees. The failure by the Town to exercise any of the rights as provided in this Article shall not be construed as a waiver of these rights nor of the right of the Town to control, operate and manage its business. The Union and the employees agree that, except as otherwise specifically provided in this Agreement, nothing contained in this Agreement shall be construed or deemed to constitute a waiver of or any restriction upon the inherent right to the management of the Town to operate and conduct its business, facilities and services with maximum efficiency or of the common law right of the Town to control, direct, manage, plan and make changes in the business or the affairs of the Town, and to unilaterally exercise rights and authority as provided and illustrated in this Section; provided, however, that none of these rights shall be exercised by the Town contrary to any specific provisions of this Agreement.

ARTICLE 8

SENIORITY

- A. Seniority shall be defined as an employee's length of service with the Town from the most recent date of hire. For purposes of this Article, each Office/Department within Town Hall (including all non-Library Clerical employees) and the Library shall be deemed a separate Department, as shall the Police Department, the Library and the Department of Public Works.
- B. Any employee shall lose their seniority and cease to be a Town employee for any of the following reasons:
 - 1. Resigns.
 - 2. Discharged.
 - 3. Does not return from layoff within fourteen (14) days after notification is sent.
 - 4. Retirement.
 - 5. Has been on layoff for the length of their employment service or two (2) years, whichever is less.
- C. The Town may re-employ any person and restore some or all of the benefits the employee had at the time of termination; provided, however, that seniority for purposes of bidding and reduction in force shall not be restored except by agreement of the Union.

ARTICLE 9

VACANCIES AND JOB BIDS

When the Town determines to fill a vacancy at the C-5 grade or above, it shall post the job for bidding by any eligible employee in the bargaining unit. Bidding shall be closed after the posting has been in effect for ten (10) calendar days, and the decision of the Town shall be announced within an additional fifteen (15) days. The job award shall be determined in the fifteen (15) days. The job award shall be determined in the following way:

1. The senior qualified employee bidding from within the Department where the vacancy exists shall have preference; unless a non-probationary employee who is an Assistant to or who has been cross-trained at significant Town expense for the position where the vacancy exists is qualified, in which case that employee shall have preference.
2. If no Office/Department employee successfully bids, then the qualified employee with the most seniority within the bargaining unit shall have preference.
3. If no bargaining unit employee bids, then the Town may consider other qualified applicants.
4. The Town may consider an applicant's prior attendance record, prior experience in the position and similar job-related factors in awarding the job bid. A qualified applicant is one who possesses any licenses, education, specific skills, training and experience required by the job description. However, no employee with a seniority preference will lose the bid to an applicant with less seniority, except for good cause. Any dispute arising from this provision of the Agreement in which a Party seeks arbitration will be conducted in accordance with the voluntary expedited arbitration rules of the American Arbitration Association or equivalent arrangements.
5. An employee who is awarded a bid shall not be eligible to bid for another vacancy outside the employee's Department during the six (6) months subsequent to the award.
6. The Town will furnish the Union with a copy of the job bid posting, the names of the bidder and the name of the awardee, and the reason(s) for the award.
7. An employee who is awarded a bid shall have a trial period of thirty (30) days of actual work, or, in the case of positions classified at C-6 or above, sixty (60) calendar days, during which time the employee may return to the employee's former position. In the event an employee fails to maintain reasonably expected progress during the trial period with the usually appropriate on-the-job training, the employee may be returned to the employee's former position subject to the right of the employee to grieve and, if necessary, arbitrate the matter on an expedited basis under the voluntary expedited arbitration rules of the American Arbitration Association or equivalent arrangements. Any employee filling a position into which an employee returns under this Section shall yield the position and have the same right to return to the employee's former position.
8. An employee who is enrolled in and making satisfactory progress toward a degree required for a C-8 position or above, and who has sufficient credits to reasonably expect to complete the program and receive the degree within one (1) year of the appointment, shall be eligible for a conditional appointment to a vacant C-8 or higher position posted for bidding.

ARTICLE 10
PROBATIONARY PERIOD AND DISCIPLINE

- A. For new hires, there shall be a probationary period of thirty (30) days of actual work, or in the case of positions classified at C-7 or above, ninety (90) calendar days, during which no discipline or discharge shall be subject to the arbitration provisions of this Agreement; provided, however, that, in the case of employees subject to a ninety (90) calendar day probationary period, a performance evaluation will be provided at least thirty (30) days in advance of any possible termination. A new employee hired at Step "AA" shall advance to Step "A" after six (6) months.
- B. The Union Chief Steward and Chair shall be notified of any discharge or discipline immediately.

ARTICLE 11
LAYOFF, BUMPING AND RECALL

- A. A layoff is defined as an involuntary job loss due to a temporary or permanent elimination of; or lack of funding for, an employee's position. Layoff shall be according to Departmental seniority in each Department (i.e., the bargaining unit employee with the least Departmental seniority shall receive the layoff notice in that Department), unless this policy would require the layoff of an employee in Grade C-8 or above; and, the more senior employee does not meet the qualifications established by current job descriptions for the same or higher-graded position.
- B. The Town agrees to furnish to employee and Union two (2) weeks' notice of any layoff that affects more than one employee, or up to five (5) days' pay in lieu of notice. In the event of a proposed reduction in force which would affect more than the least senior one employee, the Town, prior to such layoff, will notify the Union of the situation and provide it with a reasonable opportunity to discuss alternatives.
- C. Bumping rights shall be governed by seniority and as further provided for in this Article. If there is a job vacancy that exists for which the employee is qualified, then the employee does not have any bumping rights. If there is no job vacancy for which the employee is qualified then, in general, when a layoff occurs, regular full-time employees shall have the right to bump any regular full-time or part-time position employee with less Departmental seniority within their same division or office and within their same or lower classification grade, unless a non-probationary employee who is an Assistant to or who has been cross-trained at significant Town expense for the position occupies that position; likewise, regular part-time employees shall have the right to bump any other regular or temporary part-time position; temporary and probationary employees do not have any bumping rights.
- D. Unless a vacancy exists for which an employee is qualified as discussed in "C" above, when eligible, an employee who has received a layoff notice shall have three (3) working

days from the date of the notice to issue a bump notice to a bargaining unit employee with less Departmental seniority who occupies a position with the same or lower grade within their same division or office, provided the employee has all the licenses, education, specific skills, training or experience and other qualifications established by the job description at the time of the bump required by the job description to perform the duties of the position; likewise, each employee so bumped shall then have three (3) working days to bump another bargaining unit employee with less seniority. Non-probationary employees who are Assistants to or who have been cross-trained at significant Town expense for the positions they hold are not subject to bumping. Any dispute arising from this provision of the Agreement in which a Party seeks arbitration will be conducted in accordance with the voluntary expedited arbitration rules of the American Arbitration Association or equivalent arrangements.

- E. In general, when a Reduction in Hours (RIH) occurs, no bumping rights exist; except regular full-time employees shall have the right to bump any regular full-time (or regular part-time position whose normal work schedule is twenty (20) or more hours), when the employee has the employee's work hours reduced to less than twenty (20) for any fiscal year [twenty (20) hours being the eligibility threshold for health insurance]. Bumping shall occur in accordance with the provisions in Paragraph "D" above. Regular part-time employees, whether eligible or ineligible for health insurance and regardless of work schedule hours, do not have bumping rights in a RIH; except regular full-time employees who have undergone a RIH causing them to become classified as part-time for any fiscal year (but whose hours are more than twenty (20)), shall retain bumping rights for a period of time equal to their length of employment service or two (2) years, whichever is shorter and as calculated from their initial RIH, only if their hours fall below twenty (20) in any subsequent RIH. In the event M.G.L. Chapter 32B, Section 2 is amended to change the eligibility threshold for health insurance, this Paragraph shall conform with the new threshold or as otherwise agreed to by the Union and the Town. No employee shall have their hours of work reduced under this clause for more than six (6) months from the date the reduction in hours begins. When an RIH is to take place, the Town will consider the principal of seniority and, when possible, reduce the least senior employee's hours.
- F. Employees who bump are paid at the job classification grade of the position they have bumped into; however, they keep their seniority for step and longevity purposes.
- G. At the time of a bump, the Parties will meet to discuss the duration of the familiarization period appropriate to learn the job (as opposed to developing the skills); however, said period shall not exceed thirty (30) working days in the case of full-time employees or thirty (30) calendar days for part-time employees. During this period, the Town may determine for good cause that an employee cannot perform to the standards required, or does not possess the necessary skills, and the employee will have the employee's bump revoked and will be subject to layoff (i.e., an employee whose bump is revoked shall not be able to bump again).
- H. An employee who has been bumped under this Article will have the option to return to the employee's former position held where there is a vacancy to be filled, and will have

two (2) working days to decide. A laid off employee shall retain recall rights for a period of time equal to the employee's length of employment service, or two (2) years, whichever is shorter.

- I. The Town will continue to pay its share of the premiums for health insurance for laid off employees for a duration equal to one (1) month for each year of completed service by the employee; thereafter, benefits are per COBRA. The Town agrees to assume the COBRA administration charge.
- J. No employee may bump from or into the Library Department without the approval of the Mayor or Mayor's designee.

ARTICLE 12

WAGES

- A. The classifications, grades and hourly rate ranges for all jobs in the bargaining unit have been negotiated and are made a part of this contract as Schedule "C." The hourly rates on Schedule "C" shall increase by a one percent (1%) wage adjustment and two percent (2%) COLA on July 1, 2017; one and one-half percent (1.5%) on July 1, 2018; and one and one-half percent (1.5%) on July 1, 2019. The Schedule shall be amended from time to time to maintain a three percent (3%) spread between Steps.
- B. Employees hired at Step "AA" of current Schedule will advance to Step A after six (6) months. Employees hired at Step A will advance to Step B after six (6) months' service.
- C. The Town shall grant classification step increases on January 2, to become effective the first full payroll period in January. To be eligible for a Step increase, an employee must have worked not less than one hundred thirty (130) days in the aggregate in the year prior to January 1 at present classification Step. When a new hire is granted a Step increase from Step A to Step B, this shall not interfere with the regular Step increase granted on January 2.
- D. An employee injured on the job will be compensated for the balance of the day in which injury occurs regardless of length of service. No sick leave shall be available where the injury/illness arose out of employment with another employer.

Employees who are receiving working compensation benefits shall cease to accrue sick, vacation or personal leave after three (3) months of disability absence. On return to work, accruals will resume. Personal leave in any fiscal year will be calculated pro rata excluding the first three (3) months of disability leave.

WORKERS' COMPENSATION: Upon written application, employees involved in a Workers' Compensation case may receive the difference between what they receive from Workers' Compensation and their average weekly wage as determined by the Department of Industrial Accidents to determine benefit wage payments, deductible from personal,

vacation, sick or other applicable accrued time-off plan or provision herein, to the extent that they have such time available.

E. For the purpose of this Agreement, the following definitions apply:

TEMPORARY: Those employees who are hired for a short-term period, usually six (6) months or less, and who are paid at the rate of the job they are performing. Temporary employees are excluded from the bargaining unit and are ineligible for contractual benefits.

PER DIEM: Any person employed on a call-in basis only (e.g., to provide coverage for vacations, illnesses, FMLA leaves, etc.). Per Diem employees are excluded from the bargaining unit and are ineligible for contractual benefits.

PART-TIME: Those employees who do not work thirty-seven and one-half (37½) hours per week but who work year-round. Part-time employees must work an average of twenty (20) hours a week in order to be eligible for all Town benefits, as well as statutory benefits for which they meet statutory requirements. Part-time employees who are regularly scheduled to work fewer than twenty (20) hours per week shall, if otherwise qualified under this Agreement, be entitled to pro rata vacation, sick, holiday (if scheduled to work the holiday) and personal leave. Accrual rates or defined benefits shall be pro-rata. Pro-rata is defined as the equivalent amount (i.e., a percentage) as compared to a full-time position.

FLOATER: An employee, whether part-time or full-time, whose position is to float between two (2) or more Departments on a schedule based on the needs of the specified Departments.

- F. LONGEVITY PAY: Each bargaining unit member shall be paid Longevity Pay based on one dollar (\$1.00) per week times the years of service after ten (10) years of service.
- G. STEP INCREASES: Many jobs have been upgraded on an individual basis by the Department Head when an employee reaches the top Step. Some people have remained at the end of their Steps for some years. Persons reaching the end of their Steps will be allowed to go on to the next Grade/Level (a C-8 at the top of their scale would automatically go to a C-9) without changing the Grade/Level of the job itself. With the limit of stopping at the top of the next Grade (with Department Head approval).
- H. SHIFT DIFFERENTIAL: Employees working on a shift schedule normally extending beyond 5:00 p.m. shall be paid a Shift Differential of fifty cents (50¢) per hour for all hours worked after 5:00 p.m. and on the sixth and seventh days of the employee's schedule during a seven (7) day period.

ARTICLE 13
HOURS

- A. All employees covered by this Agreement shall be paid weekly.
- B. The payroll period shall begin at 12:01 a.m. on Saturday and end at Midnight on Friday. The pay day shall begin at 12:01 a.m. and end at Midnight that same date.
- C. After the Town has reached agreement with other bargaining units to convert to bi-weekly pay, the Town shall implement bi-weekly pay for this unit upon one (1) month's advance notice to the Union and each employee. The pay change shall be administered so that the employee receives a two (2) pay period payment in the week prior to the week in which no pay will first occur. Upon implementation of bi-weekly pay, the payroll period shall begin at 12:01 a.m. on Saturday and end at Midnight on the second Friday. The pay day shall begin at 12:01 a.m. and end Midnight the same date.
- D. There will be a ten (10) minute rest period at a reasonable time in the morning and a ten (10) minute rest period at a reasonable time in the afternoon.
- E. The operating hours for the Town Hall and Library units may be changed by the Town only after reasonable advance notice to Union (thirty (30) days) and only after the Town and the Union have had the opportunity to meet in good faith and discuss proposed hours of operation, work hours or scheduled changes and solicit ideas for information and discuss the impact of such change upon the employees and the Agreement for consideration prior to implementation. The purpose being to mutually agree on changes. However, the Town shall have the right to implement changes after ninety (90) days from the date of the proposed changes to the Union if an agreement has not been finalized.
 - 1. In the Town Hall, the regular work week for full-time employees shall be five (5) seven and one-half (7½) hour days, Monday through Friday, between the hours of 8:30 a.m. and 5:00 p.m., with a lunch break of one (1) hour to be scheduled as near the middle of the work day as is consistent with the staffing needs of the Department. Both the Town and the Union recognize the need for the Town to have reasonable flexibility in establishing or changing starting times, duration of the lunch period and temporary schedule changes, to meet the needs of the Town or of the employee. Substantial changes to be in effect for an employee for longer than two (2) weeks will follow the process as outlined in E above. The Town agrees to give the employee thirty (30) days' notice before any non-emergency change of schedule.
 - 2. In the Library, the regular work week for full-time employees shall be five (5) seven and one-half (7½) hour days, Sunday through Saturday; with every effort made to set a schedule consisting of consecutive days. The normal shifts shall be between 8:30 a.m. and 5:00 p.m. and between 11:30 a.m. and 8:00 p.m., with a lunch break of one (1) hour to be scheduled as near the middle of the shift as is consistent with the staffing needs of the Library. Both the Town and the Union

recognize the need for the Town to have reasonable flexibility in establishing or changing starting times, duration of the lunch period and temporary schedule changes to meet the needs of the Town or of the employee. Substantial changes to be in effect for more than two (2) weeks will follow the process as outlined in E above as long as the Library is adequately staffed to maintain basic functions and provide for staff safety for hours of operation. The Town agrees to give the employee thirty (30) days' notice before any non-emergency change of schedule. Weekly work and desk schedules in the Library shall be posted by Thursday of the preceding week.

- F. Employees shall be paid time and one-half for all hours worked over thirty-seven and one-half (37½) in the week. All overtime must be authorized by the Department Head prior to being worked.
- G. In lieu of overtime pay, employees may request compensatory time, to accrue at the rate of one and one-half for each overtime hour worked, such compensatory time to be considered as paid leave time which may be scheduled and taken at a time mutually agreed between the employee and the Department Head. No more than forty (40) hours of such time may be accumulated, except as expressly agreed in writing between the Union and the Town.
- H. All Departments in the Town Hall may offer a flex-time schedule to their employees, including salaried or hourly in the schedule. Each Department shall work out a schedule to cover the needs of the Department while providing the employees with as much flexibility as possible on starting, quitting and lunch time hours. All new alternative work schedules must be authorized by the Department Head prior to being worked.
- I. The Union agrees to direct deposit for employees' pay.

ARTICLE 14 **HOLIDAYS**

- A. 1. The following will be considered paid holidays:

New Year's Day	Independence Day
Martin Luther King Day	Labor Day
Washington's Birthday	Columbus Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Veteran's Day	Christmas Day

Paid half (½) day holidays December 24 and December 31 when Christmas and New Year's falls on a Tuesday through Friday. When Christmas or New Year's falls on a Saturday, the previous Thursday will be a floating half (½) day (4 hours) holiday for those employees who work to keep the Town Hall or Library

open. Likewise, if Christmas or New Year's falls on a Sunday or Monday, the floating half (½) day will be the previous Friday.

2. In the event any of the above holidays occur on a Sunday, they will be observed on the following Monday. In the event any of the above holidays occur on a Saturday, they shall be observed on the preceding Friday.
 3. The Town reserves the option of opening some or all offices on the day after Thanksgiving; in such case, employees who work will be paid holiday plus time and one-half for the actual hours worked on the holiday. Staffing will be offered first to qualified volunteers and if there are insufficient volunteers, assignments will be made in the inverse order of seniority of the qualified employees.
- B. To be eligible for holiday pay, an employee must have completed a thirty (30) working day probationary period and be scheduled to work the holiday.
- C. Holidays occurring during an employee's scheduled vacation shall be charged as holiday pay rather than as vacation time used.
- D. Upon written application by an employee involved in a Workers' Compensation case, the employee may receive the difference between what they receive from Workers' Compensation and regular take-home pay, deductible from holiday pay, and to the extent that they have holiday pay available.

- B. Such vacation shall be granted by the Head of the respective Departments of the Town at such time as in their opinion will cause the least interference with the performance of the regular work of the Town, and taking into account the employee's preference based on the employee's seniority. Employee requests will receive a response within five (5) working days from the date the request was received by the Department Head. Any vacation leave must be requested in writing, in advance.
- C. Vacation leave shall be earned monthly and shall be available for use at that time. New hires may take earned vacation time after ninety (90) days of employment.

- E. A vacation, once approved, cannot be canceled or changed except by mutual agreement between the employee and Department Head.
- F. Illness suffered during an employee's scheduled vacation will be considered as vacation time rather than sick paid time. However, if hospitalization is required, paid sick time may be substituted for vacation time if the provisions of the Sick Leave Article of this Agreement are satisfied and the vacation time is rescheduled. The employee's immediate

supervisor should be notified as soon as possible of hospitalization while on scheduled vacation.

- G. Vacation time can be taken on a half (½) hour basis with prior notice and upon approval of the Department Head in accordance with Paragraph B above.

 5. The Department Head may require verification of any claim for sick leave if such verification is considered necessary.

6. No sick leave shall be available when an employee is collecting Workers' Compensation through another employer.
7. Employees on sick leave shall notify the Town as to their contact information if different from their home address.

ARTICLE 24 INSURANCE

- A. The employees will continue to participate in the group life (\$5,000.00), accidental death and dismemberment and general hospital, surgical and medical insurance programs established under Chapter 32B of the General Laws. The Town agrees to comply with its obligations under M.G.L. Chapter 150E and applicable laws with regard to any reduction in coverage or benefits. This includes changes in life insurance premiums upon retirement.

- B. Section 1: Notwithstanding any contrary or arguably limiting provision in this Agreement, the obligation of the Employer to provide health insurance shall be limited to providing employees under this Agreement with the right to participate in the group insurance program established by the Town under and in compliance with the express provisions of Chapter 32B of the General Laws, if said employees are eligible under the terms of the state law and the terms of the insurance contracts with the Town.

Section 2: The Town will pay sixty percent (60%) of the premiums for group health insurance plans offered, except that it will pay eighty percent (80%) of the premiums for the existing HMO plan or its comparable successor.

ARTICLE 25

GRIEVANCE PROCEDURE

- A. A grievance is defined as a complaint by any Union member(s) or the Union that there has been a violation, misinterpretation or misapplication of the terms of this Agreement. This Procedure is applicable to employees regardless of Union membership status.

- B. The purpose of this Procedure is to secure, at the lowest level, equitable solutions to problems that may arise under this Agreement. Any employee may state the employee's grievance informally with the employee's supervisor, provided a representative of the Union is present when the grievance is settled. If the matter is unresolved informally, an earnest effort shall be made to settle it by the following formal procedure:

Step 1: The Union Steward and/or representative, with or without the aggrieved employee, shall take up the grievance or dispute orally with the employee's immediate supervisor within ten (10) working days of the date of the grievance or the Steward's knowledge of its occurrence. The supervisor shall attempt to adjust the matter and shall respond to the Steward in writing within three (3) working days.

Step 2: If the grievance has not been settled, it shall be presented in writing to the Department Head within ten (10) working days after the supervisor's response is received. The meeting between the Department Head and the aggrieved employee shall include Union representation. The Department Head shall respond in writing within three (3) working days.

Step 3: If the grievance still remains unresolved, it shall be presented to the Mayor or his designees in writing within ten (10) working days after the response of the Department Head is received. The meeting between the Mayor or the Mayor's designees and the aggrieved employee shall include Union representation. The Mayor or the Mayor's designees shall respond in writing within seven (7) working days.

Step 4: A. If the Answer at Step 3 is not satisfactory, the matter may be referred to final and binding arbitration by a written request to the Federal Mediation and Conciliation Service for the appointment of an arbitrator in accordance with its procedures. Such request must be filed within sixty (60) calendar days after the final Step 3 answer is delivered to an agent of the Union. A copy of the request must simultaneously be filed at the Mayor's office. In the event the Town and the Union do not agree on an

arbitrator within ten (10) days of such request, the Federal Mediation and Conciliation Service will be requested to appoint an arbitrator. The arbitrator may not add to, amend or delete any provision of this Agreement.

- B. In the case of any grievance which may involve a violation of state or federal law or statute, or which may be litigated before any governmental agency or tribunal, and which is not resolved to the satisfaction of the aggrieved employee by the Town, the Union agrees to confer with its membership on whether it would be more advantageous for the aggrieved employee to take the case to arbitration or to the appropriate agency or tribunal. The Union will not unnecessarily harass the Town by involving the Town in both types of procedures.
- C. The procedure shall be followed for all grievances, except that in the case of a grievance involving a discharge or suspension without pay, excluding paid investigatory suspensions; the Grievance Procedure shall commence at Step 3 with the grievance being filed no later than five (5) working days following the termination or suspension date.

ARTICLE 26

SUBSTANCE ABUSE

- A. The purpose of this policy is to establish the fact that the Town and the Union agree that the workplace must be a drug-free environment in accordance with the Drug-Free Workplace Act of 1988 to protect the health and safety of its employees and the general public, and to maintain efficiency, productivity and economy of operations. The main emphasis of the program, as it relates to an employee with a problem of alcoholism or drug dependency, is to provide a counseling and rehabilitation opportunity for the employee to keep the employee's job, unless the seriousness of misconduct, negligence or absenteeism by the employee outweighs this purpose.
- B. In the event that an employee reports to work or at any point during their work shift gives the appearance or exhibits behaviors of, or in which there are reasonable grounds for believing or suspecting an employee may be under the influence of either alcohol or illegal drugs, as determined by the reasonable suspicion standard provided herein, the employee shall be required to leave the workplace.

Procedures

- C. An employee who falls under reasonable grounds for suspicion as outlined below shall be interviewed by at least one individual representing the Town (Mayor, Human Resources Director) and at least one member of the Union (Union President, Steward or contract negotiating member) prior to being requested to leave the workplace.

D. Objective facts that shall be used in evaluating an employee's condition include, but are not limited to:

- | | | |
|----|-----------|--|
| 1. | Balance: | sure/unsure/questionable |
| 2. | Walking: | steady/unsteady/questionable |
| 3. | Speech: | clear/slurred/questionable |
| 4. | Attitude: | cooperative/uncooperative/questionable |
| 5. | Eyes: | clear/bloodshot/questionable |
| 6. | Odor: | none/strong/questionable |

It is required that the observations of these objective facts by any supervisory witnesses be documented, along with any explanations by the employee concerning the employee's condition.

E. Reasonable suspicion shall be based on information as to observations and objective facts and the rational inference(s) which may be drawn from this data.

The credibility of sources of information whether by tip or informant, the reliability of submitted information, the degree of corroboration, the results of Town inquiry and/or other factors shall be weighed in determining the presence or absence of reasonable suspicion.

F. The following are representative but not all-inclusive examples of such circumstances:

1. An employee deemed impaired or incapable of performing assigned duties.
2. An employee exhibiting behavior inconsistent with previous performance.
3. An employee who exhibits irritability, mood swings, nervousness, hyperactivity, hallucinations.
4. An employee who is subject to substantiated allegations of use, possession or sale of drugs and has not agreed to participate in a rehabilitation program.

G. Prior to any disciplinary action, the Town will provide the employee and the Union with a written report evidencing the reasonable suspicion and the disciplinary action proposed. It is the intention of this Article that an employee who has an admitted drug or alcohol dependency be treated within the Employer/employee relationship. The employee may utilize sick days for any in-patient or out-patient programs. Leaves of absence without pay for such reasonable periods will be allowed off if the employee has no other accrued leave available. The employee shall be expected to comply with all the requirements and such regulations of any substance abuse rehabilitation clinic and the failure to abide by all such conditions and requirements shall be a basis for termination of employment.

H. It is agreed that the Parties will make every effort to protect privacy and confidentiality.

An employee covered under this Agreement who is chosen as a Committee member by the Union when attending meetings and functions pertaining to the Committee will be paid the employee's regular rate to attend any such meeting during regular working hours.

ARTICLE 28

This contract will automatically extend for one (1) year period unless written notice is given prior to any January 5th that either Party desires to terminate or modify said contract. If such notice is given, the Parties will meet within ten (10) days of January 5th to negotiate proposed changes in the contract. The objective is to conclude a mutually satisfactory settlement by April 1st.

- B. The Parties agree that each had the unlimited right and opportunity to make demands and proposals on all legal subjects of collective bargaining during the negotiations for this Agreement. The Parties also agree that all understandings reached by the Parties during negotiations are set forth in this Agreement and its three Letters of Understanding.
- C. During the term of this Agreement, neither the Town nor the Union will be required to negotiate on any matters covered in this Agreement, nor on any other subject matter of bargaining not set forth in this Agreement, except by mutual agreement of the Parties.
- D. No addition to, alteration of, modification of or waiver of any provision of this Agreement shall be valid, binding or of any force or effect unless made in writing and executed by the Town and the Union.
- E. The failure by the Town or the Union to observe or enforce any provision of this Agreement shall not be construed as a waiver of said provision.
- F. In the event that any Article, Section or portion of this Agreement is found to be invalid or shall have the effect of loss of funds made available through law, rule, appropriation or regulation, then such specific Article, Section or portion shall be amended to the extent necessary to conform with such law, rule, appropriation or regulation; but the remainder of this Agreement shall continue in full force and effect.
